**Title:**

All motor carriers operating within the United States, including foreign-domiciled motor carriers applying for USDOT registration by this form, must comply with all applicable Federal, State, local, and tribal statutory and regulatory requirements when operating within the United States. Such requirements include, but are not limited to, all applicable statutory and regulatory requirements administered by the U.S. Department of Labor, or by an OSHA State plan agency pursuant to section 18 of the Occupational Safety and Health Act of 1970. Such requirements also include all applicable statutory and regulatory environmental standards and requirements administered by the U.S. Environmental Protection Agency or a State, local or tribal environmental protection agency. Compliance with these statutory and regulatory requirements may require motor carriers and/or individual operators to produce documents for review and inspection for the purpose of determining compliance with such statutes and regulations.

### What Happens Next?

Once payment is received we will obtain your new MC Number, as well as, and your BOC-3 the same day.

In three to five business days your application will be published in the daily Federal Registry. At this point we will wait for the filing of your Broker Bond.

\*\*Remember, the process can go no further until the Brokers Bond (BMC-85 Trust Fund or BMC-84 Surety Bond) filing is complete.

The entire process can take between seven to ten business days for the FMCSA to place your Broker Authority in ACTIVE status after your Brokers Bond has been filed with the FMCSA.

We will keep you informed, by e-mail, as we progress through each stage of the application. As always, we encourage you to call us if you have questions or concerns.

Once your authority is active and you are ready a representative with Truckstop.com will contact you to set up your trial account. At this point you will have access to freight and be in business!
